

Production Artist – Smithfield, RI

Position Overview

Fine Line Graphics is searching for a dynamic person to fill the position of Production Artist to work at its Smithfield, RI facility. The successful candidate will be responsible for translating various brand designs into mechanical art form and building precise, complete and organized files. Additionally, this candidate will be responsible for all trapping, stepping and final separated “plate-ready” file creation.

Essential Job Functions

- Build job mechanicals per job specs in Adobe Illustrator.
- Interpret job information as directed by the Customer Service Dept.
- Troubleshoot problems and resolve production challenges while maintaining design intent
- Organize digital files in a consistent manner on the file server
- Check, verify, and sight proof completed work for errors to ensure compliance with job specifications.
- Detail oriented, highly organized with the ability to manage multiple projects with minimal supervision.

Education / Experience / Training

- 2+ years experience in production art or related field preferred
- Bachelors Degree in Graphics Production or related field preferred
- Proficiency in current software application as required to build print-ready files: Adobe Illustrator / Adobe Photoshop.
- Knowledge of standard printing procedures, preflight practices and Esko Graphics software specifically for the flexographic environment a plus.

We offer a very competitive wage and benefits package, including enrollment in medical/dental benefit. Starting pay is commensurate with experience. Please send your resume with cover letter and salary requirements to info@flgcorp.com
